## Experience

### Yale University School of Architecture - Communications Intern

June 2019 - August 2019 | New Haven, CT

- Redesigned and updated the school's brochure, campus map, and lobby welcome screen in Illustrator
- Participated in database conversion. Analyzing existing records, researching and compiling more than 1,000 constituent data points in Excel for transfer into Blackbaud database
- Created photo set for press and social media reviewing more than 200 images to determine 20 best representations. Prepared images in Photoshop
- Produced over 11 hours of video using Premiere

### UConn Student Television - UCSPAN Videographer

September 2018 - May 2019 | Storrs, CT

- Recorded more than 15 events for clients around campus - speeches, lectures, dance performances, fashion shows, etc.
- Assisted in setting up livestream equipment for events
- Edited footage into final video, to be uploaded onto the station's YouTube channel, and sent to clients on a DVD per their request

### Amazon@Storrs - Part-Time Campus Associate

January 2018 - January 2019 | Storrs, CT

- Provided excellent customer service in person and over-the-phone
- Ensured efficient delivery of packages to customers
- Stowed and scanned all packages into appropriate shelves in a manner that allowed them to be easily retrieved for customer pickup
- Processed package returns

### Yale University Press - New Business and Product Development Intern

June 2018 - August 2018 | New Haven, CT

- Supported launch of new scholarly art and architectural history eBook platform (aaeportal.com) to over 55 institutions
- Developed market research report based on analysis of target market data in Excel
- Conducted usability tests with student participants
- Scheduled meetings in Outlook with co-workers and supervisors
- Provided mockups of usability improvements
- Performed extensive website quality assurance testing
- Provided metadata and image processing support

### University of Connecticut iGem - Web Designer

May 2018 - October 2018 | Remote Location

- Collaborated on the Wiki site for University of Connecticut's iGem chapter
- Wrote HTML and CSS for the site, and integrated Javascript
- Utilized and refined site designs and color schemes from colleagues

### Yale University ITS - 60-Hour Intern

July 2015 - August 2015 | New Haven, CT

- Worked as a teacher's assistant for the Yale Pathways to Science summer program
- Collaborated with several students to develop marketing material for a Wordpress site
